hp psc 1210 printer/scanner/copier

The HP PSC 1210 is a compact, robust and easy to use all-in-one offering photo quality colour printing, superb flatbed scanning and fast, standalone copying, at a real value for money price.

Customers looking for a small, economical and easy to use solution to their printing, scanning and copying needs, one that not only delivers high quality results time after time but also represents exceptionally good value for money.

Photo quality printing for true-to-life results.

- Colour printing at up to 4800-optimised dpi*.
- Brilliant print quality for great photo images and graphics with rich, vivid colours.
- HP Photorec III precision technology places up to 29 ink drops per dot for totally smooth colour transitions and realistic flesh tones.
- High density HP pigmented black ink for sharp black text and graphics every time.
- 100-sheet input tray for minimum intervention.

World's smallest flatbed all-in-one printer, scanner and copier.

- Three powerful tools in one extra small device.
- Easy to use all-in-one with high-performance printing, scanning and copying.
- Compact size (426 x 259 x 170 mm) makes it ideal for even the smallest of desks.
- Footprint little more than A4.
- Ideal for anyone wanting to make their budget go further.

Fast and reliable colour printing and copying – the results you need, when you need them.

- No waiting around for professional looking documents.
- Print speeds of up to 12 ppm in black or 10 ppm in colour.
- Standalone copying facility – no need to switch on the PC.
- Photo quality digital copying at up to 12 cpm in black or 10 cpm in colour.
- One digit display – select up to 9 copies.

*Up to 4800 x 1200-optimised colour printing and up to 1200 x 1200-optimised dpi colour copying on premium photo papers and 1200 x 1200 input dpi.
